

Dezentrum

(Decentralized) Future of Work

Digital Feudalism

“The Future is already here, it’s just
not very evenly distributed”
– William Gibson

How it is:

Damn, a robot took over my job!
Now I have to look for a new
source of monetary income...

How it should be:

Yay! A robot took over my job!
Now I am free to actually enjoy life!

Distributed Organisations

Growing a Consensus Oriented Organisation

Consensus doesn't Scale?

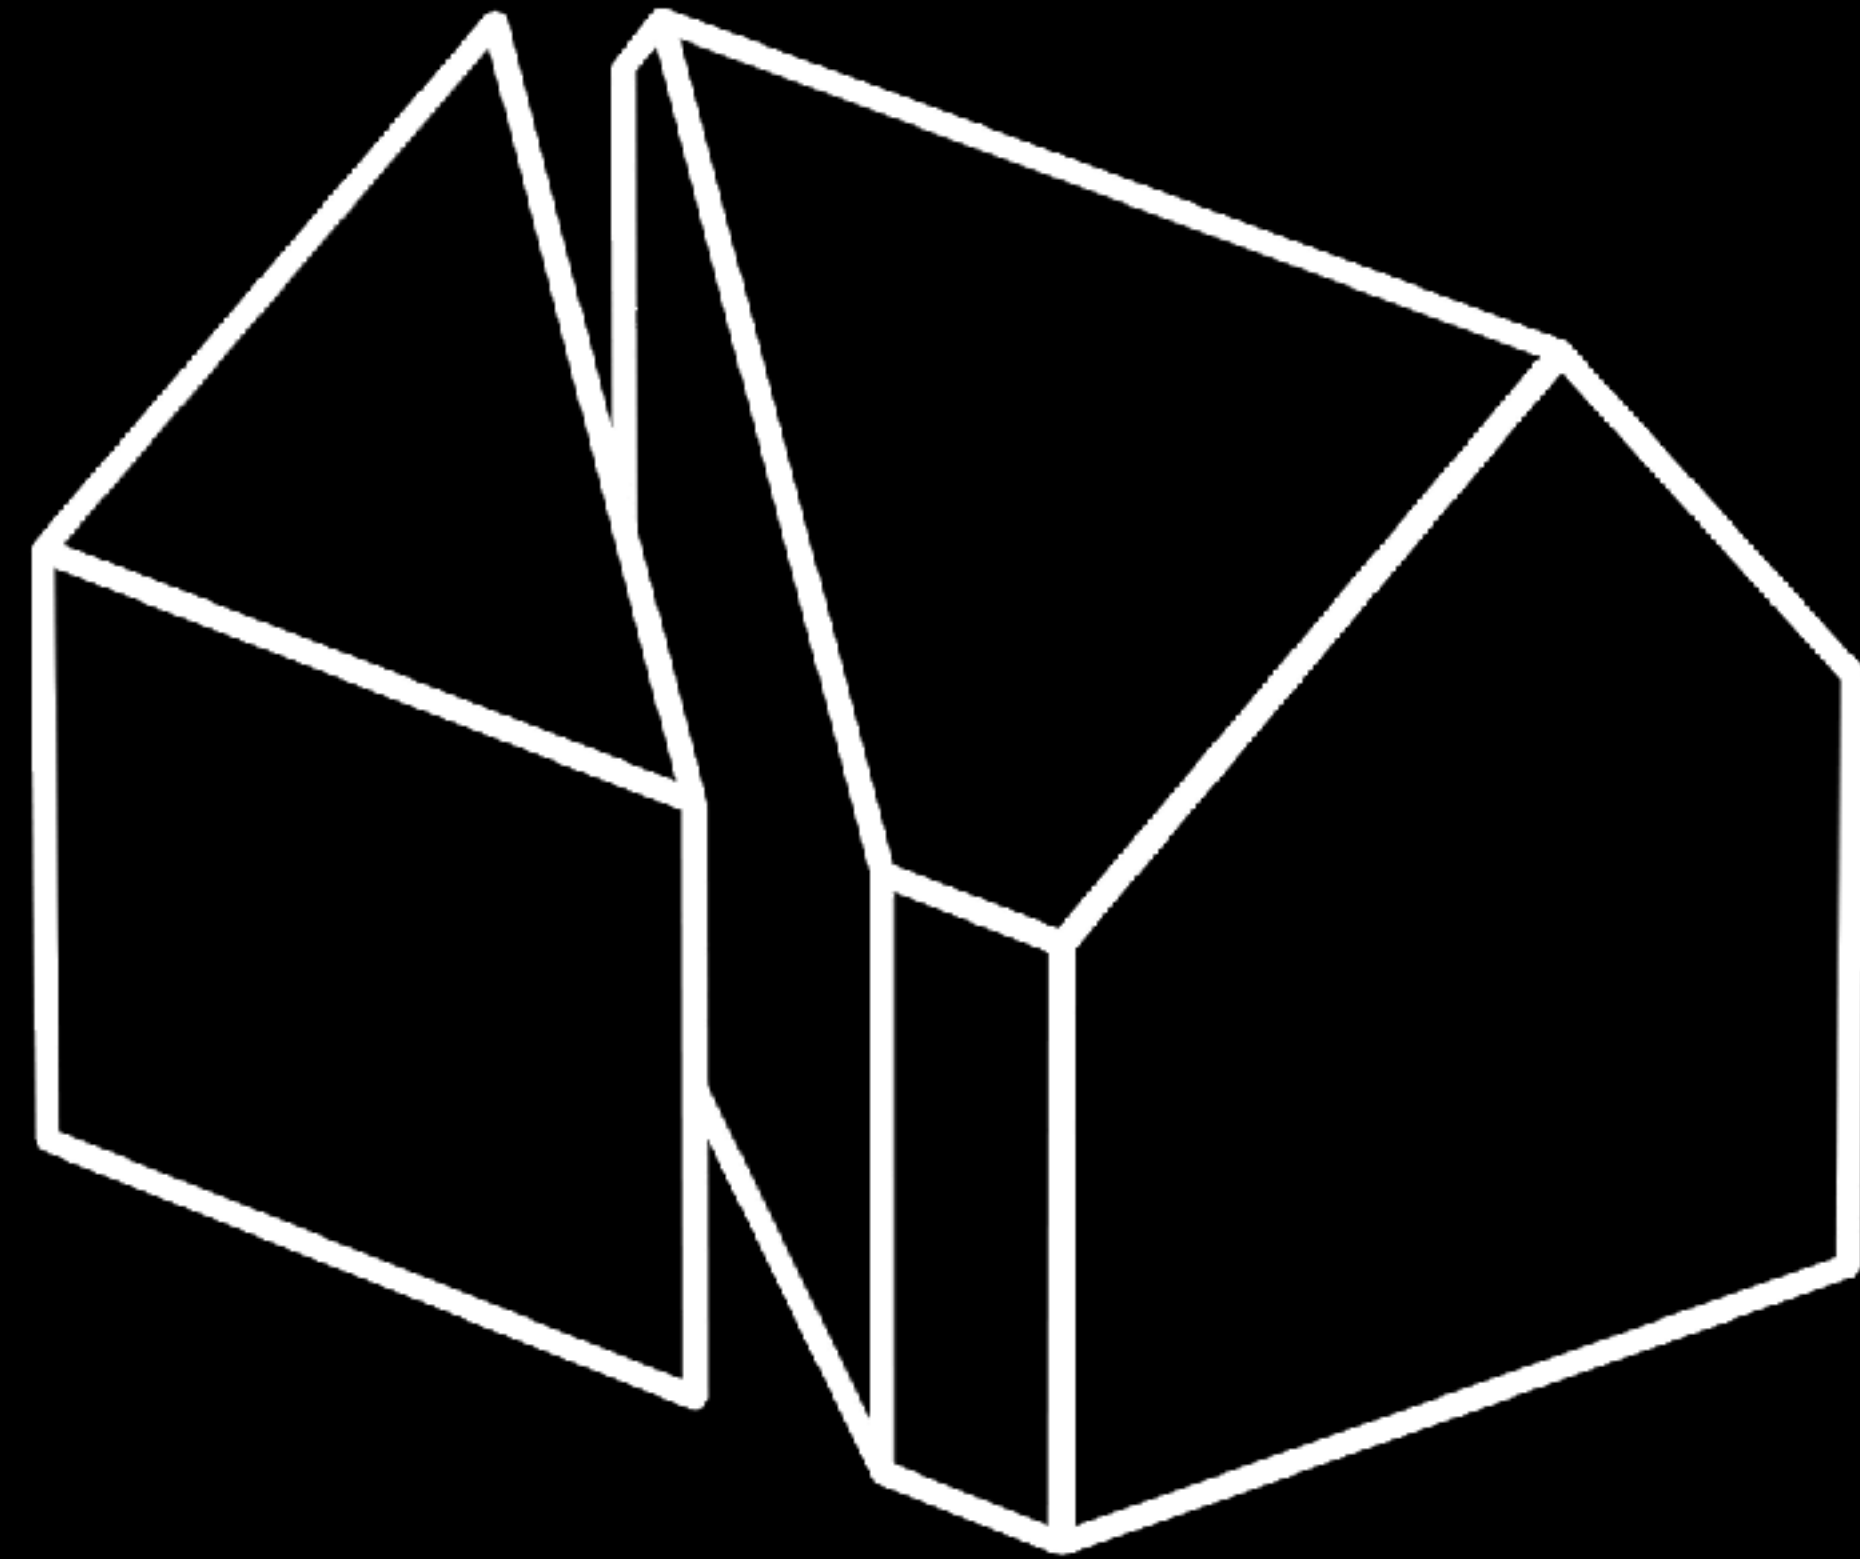

Scalability of Consensus Oriented Organisations

Explicit Organizational Development
